### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Craig J. Lervick, Reg. #34,205 on 10/6/05.

The application has been amended as follows:

Claim 4 is to be included in the final draft of claims listing as it was mistakenly left off the transmittal dated 8/24/06. The language of claim 4 should read as it did in the prior listing of claims dated 11/13/03 as the following:

4. The method of claim 1 wherein the defect information includes data that the standard data processing attempted to write in one of the defective sectors.

### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance: When read as a whole, claims 1, 7, 19, and 26 are allowable for the reason, as stated in Remarks dated 8/24/06, that Sims III et al does not teach the process of where relocation is held or delayed until the processing operation is complete..
